SPONSOR PACKET

Saving Land.

For Nature. For People. Forever.

Dear Friend of Conservation,

Thank you so much for considering a sponsorship of Conservation Florida's first 5K.

By supporting this unique event, you will not only be saving land, you will be helping people connect to Wild Florida during the ENTIRE month of November!

We are asking for your support today as a sponsor — and as a participant in the 5K!

Whether you run, walk, hike, bike, or paddle, you'll be saving land for wildlife and creating a healthier future for Florida. To make it as inclusive as possible, participants can join anytime and anywhere they choose.

We know that nature is good medicine, and when we spend time outdoors, we soak in the many benefits it has to offer. So please consider sponsoring Conservation Florida's Wild Florida 5k, and get moving toward a future where Florida's wild places are protected and benefit nature, and people, forever!

All proceeds benefit Conservation Florida. Conservation Florida is a 501(c)(3) nonprofit land trust with a mission to save Florida's natural and agricultural landscapes for future generations. Our conservation projects support Florida's native plants and wildlife, fresh water, conservation corridors, family farms and ranches, the economy and nature-based recreation.

For Florida,

Traci Deen, Executive Director and CEO
